

When I saw You I fell in love,  
and You smiled because You knew.  
(William Shakespeare)

Param Sant Kirpal Singh Ji

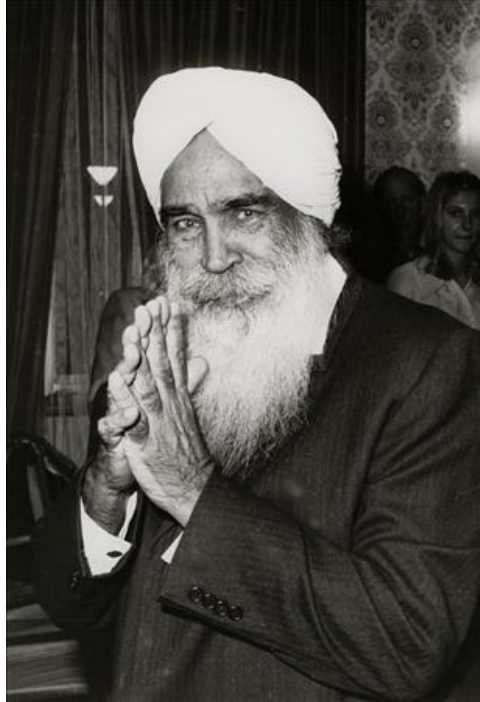

A wise man laughs and smiles through his eyes.  
The smile and laughter through the eyes  
influence people tremendously.  
(Swami Sivananda)

It was awesome at that first moment when our eyes meet, and You smiled at me.

I felt Your smile deep within my heart, within my soul.

The memory of Your smile is more precious than all worldly riches.

I felt happy when You looked at me and smiled  
because I knew for that one split second I was on Your mind.

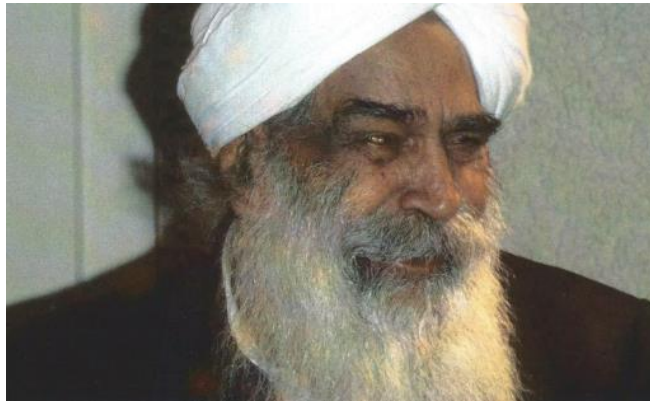

In His smile,  
our joy rose like the sun.

His wonderful smile melted the icicles around our hearts.

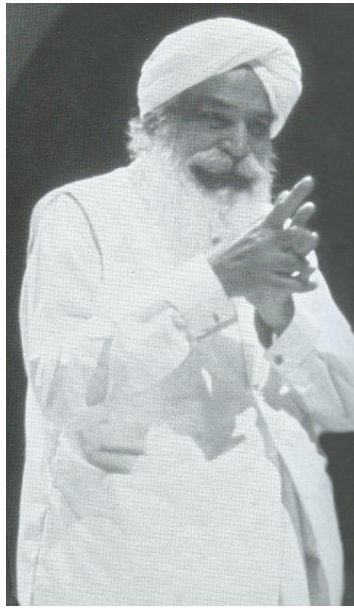

When You looked at me and smiled  
I knew for the first time that God loved me.

The beginning of love comes with simple expressions –  
in my case Your smile.

I loved it when You smiled,  
but I loved it more when I was the reason behind Your smile!

Whenever I remember Your smiling face I smile,  
because I love You.

I loved the way You smiled at me  
and made me feel that nothing could go wrong.

The Master:  
The way He laughed made us smile;  
The way He smiled made us cry.

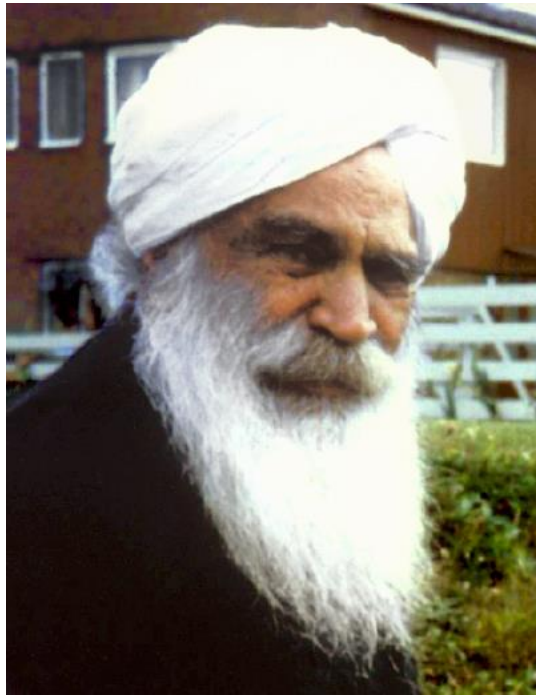

The world may be a veil of tears,  
but Your smile cast a rainbow in my heart.

Master smiled at us because He knew  
what bliss awaits us.

God blessed me with two unbelievable gifts –  
Your acceptance and Your smile.

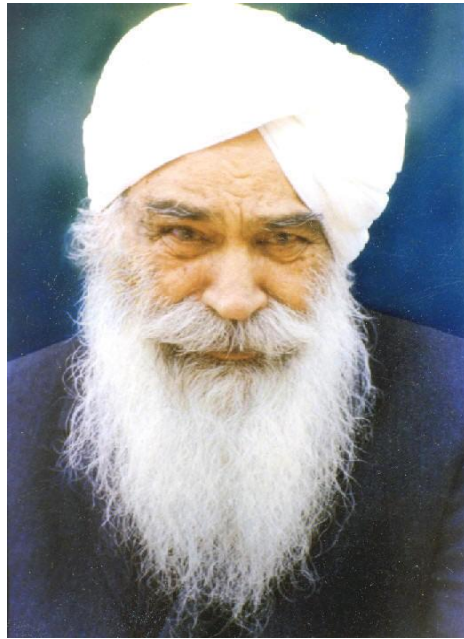

I love those random memories of Your smile  
that make me smile no matter what is going on in my life right now.

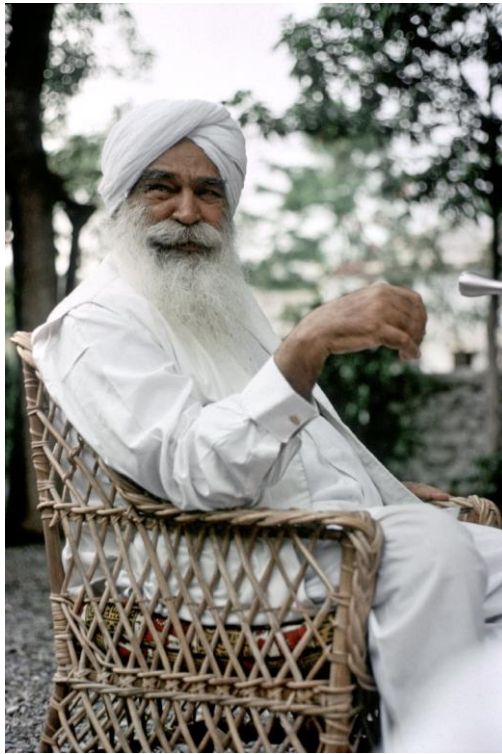

Every time You smiled at someone it was an act of love,  
a gift to that person, a beautiful thing to cherish forever.

You smiled at me and made my heart skip a beat!

Once when I was with Master I mentioned your name –  
He smiled, what joy!

I am smiling today, I smiled yesterday, I will smile tomorrow – why?  
because You smiled at me.

One smile can't change the world,  
but Your smile changed mine!

A smile from the Master is like a single raindrop in the middle of the desert.  
It feels so good, but it still leaves you thirsting for more.

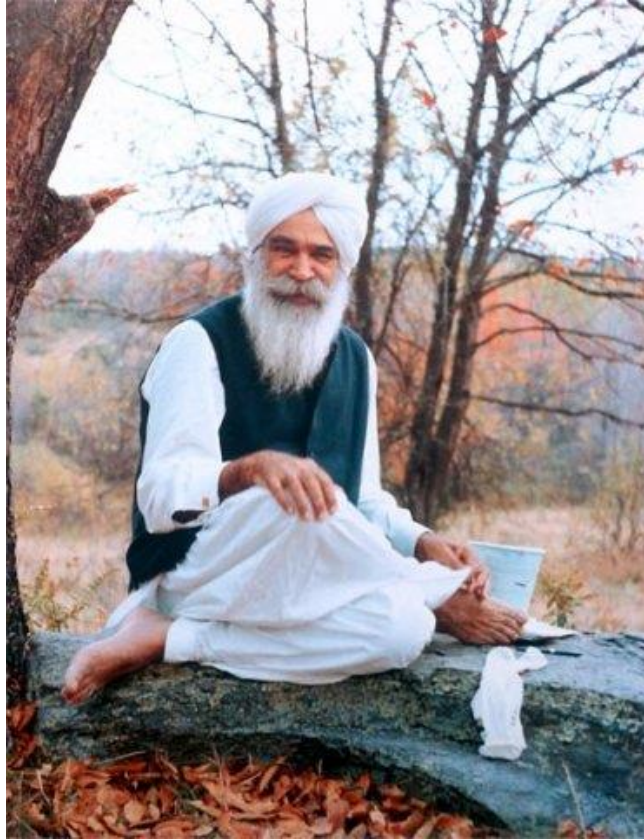

Today I caught myself smiling when I thought of Your smile.

You smiled,  
my heart melted.

Enchanting is Thy sweet smile.

I have witnessed the softening of the hardest of hearts  
by Your sweet smile.

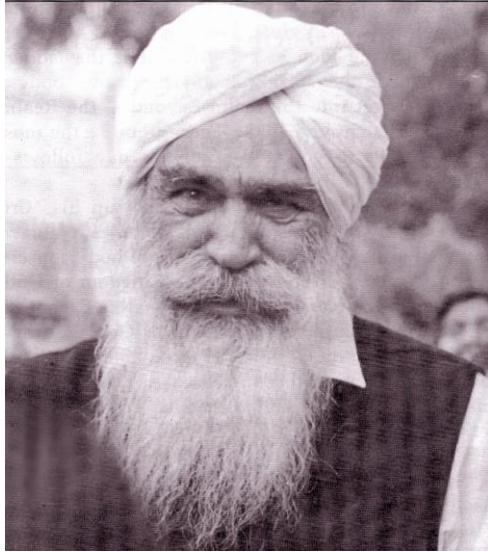

Because of Your smile,  
You make life more beautiful.

People often wonder why I am so happy;  
If they had received Your smile,  
they'd be happy too!

May Your Soul Be Happy;  
Journey Joyfully.  
(Rumi)
